

## Computer Science 6th Class Chapter 1 English Medium Online Test

Which of the following isnot typically considred a component of ICT.  B. Television C. Cell Phones D. Refrigerators  A. Picking goods B. 3D Printing C. Lifting heavy parts D. All  A. Computer B. Mobile C. Printers D. Papers	Sr	Questions	Answers Choice
2 Which of the following isnot typically considred a component of ICT.  B. Television C. Cell Phones D. Refrigerators  A. Picking goods B. 3D Printing C. Lifting heavy parts D. All  LCT devices are sued in different industries for.  A. Picking goods B. 3D Printing C. Lifting heavy parts D. All  A. Computer B. Mobile C. Printers D. Papers  The system used ot control and monitor movement of cars and crafts is called.  A. Communication system D. Papers  A. Communication system D. Papers  A. Pascal B. Naigation system C. Digital experiments  A. Pascal B. Howard Aiken C. Charles Babbage D. Al-Khwarizmi  A. Hear fo computer B. Lungs of computer D. Brain of computer D. Embedded software D. Embedded software D. Embedded software B. Unlithy software B. Unlithy software B. Unlithy software D. Embedded software B. Unlithy software B. Unlith	1		B. Distance learning C. Gradening
3 ICT devices are sued in different industries for.  6 ICT is Eco-friently beacuse it has eliminated the use of.  7 ICT is computer.  8 B. 3D Printing C. Lifting heavy parts D. All  A Computer B. Mobile C. Printers D. Papers  A Communication system B. Naigation system C. Digital experiments  A Pascal B. Howard Aiken C. Charles Babbage D. Al-Khwarizmi  A Hear fo computer B. Lungs of computer B. Lungs of computer D. Brain of computer D. Brain of computer D. Brain of computer D. Brain of computer D. Embedded software B. Utility software D. Embedded software D. Embedded software B. Unitity software D. Embedded software B. Unitity software B. Unitity software C. System software B. Unitity software B. Unitity software C. System software B. Unitity software B. Unitity software B. Unitity software C. System software B. Unitity software B. Uni	2	Which of the following isnot typically considred a component of ICT.	C. Cell Phones
4 ICT is Eco-friently beacuse it has eliminated the use of.  B. Mobile C. Printers D. Papers  5 The system used ot control and monitor movement of cars and crafts is called.  A. Communication system B. Naigation system C. Digital experiments  A. Pascal B. Howard Aiken C. Charles Babbage D. Al-Khwarizmi  7 CPU is also called.  A. Hear fo computer B. Lungs of computer C. Hand of computer D. Brain of computer D. Brain of computer D. Brain of computer D. Embedded software D. Embedded software D. Embedded software B. Unitity software B. Unitity software C. System software B. Unitity software C. System software B. Unitity software C. System software C. System software B. Unitity software C. System software C. Sys	3	ICT devices are sued in different industries for.	<ul><li>B. 3D Printing</li><li>C. Lifting heavy parts</li></ul>
The system used ot control and monitor movement of cars and crafts is called.  B. Naigation system C. Digital experiments  A. Pascal B. Howard Aiken C. Charles Babbage D. Al-Khwarizmi  A. Hear fo computer B. Lungs of computer C. Hand of computer D. Brain of computer D. Brain of computer B. Utility software B. Utility software C. Application software D. Embedded software B. Unitity software C. Application software D. Embedded software C. System software	4	ICT is Eco-friently beacuse it has eliminated the use of.	B. Mobile C. Printers
6 is called father fo computer.  7 CPU is also called.  A. Hear fo computer B. Lungs of computer C. Hand of computer D. Brain of computer D. Brain of computer B. Utility software B. Utility software C. Application software D. Embedded software B. Utility software C. Application software D. Embedded software C. System software	5	The system used ot control and monitor movement of cars and crafts is called.	
7 CPU is also called.  B. Lungs of computer C. Hand of computer D. Brain of computer D. Embedder Stware B. Utility software C. Application software D. Embedded software D. Embedded software B. Unitity software B. Unitity software C. System software C. System software C. System software	6	is called father fo computer.	B. Howard Aiken C. Charles Babbage
8 MS Office is an example of.  B. Utility software C. Application software D. Embedded software  9 Opeating system is an example of.  A. Application software B. Unitity software C. System software	7	CPU is also called.	B. Lungs of computer C. Hand of computer
9 Opeating system is an example of.  B. Unitity software C. System software	8	MS Office is an example of.	B. Utility software C. Application software
	9	Opeating system is an example of.	B. Unitity software C. System software
A. Application sotware B. Utility software C. System software D. Embedded software	10	Software that is designed to run compuer's hardware is called.	B. Utility software C. System software
