1	Democratic societies from the earliest times have expected their governments to protect the weak against the strong no era good feeling can justify discharging the police force or giving up the idea of public control over concentrated private wealth on the other hand it is obvious that a spirit of self-denial and moderation on the part of those who hold economic power will greatly soften the demand for absolute equality men are more interested in freedom and security than in an equal distribution of wealth the extent to which Government must interfere with business therefore is not exactly measured by the extent to which economic power is concentrated into a few hands the required degree of government interference depends mainly on whether economic powers are oppressively used and on the necessity of keeping economic factors in a tolerable state of balanceHowever with the necessity of meeting all these dangers and threats to liberty the powers of government are unavoidable increased whichever political party may be in office the growth of government is necessary result of the growth of technology and of the problems that go with the use of machines and science since the Government in our nation must take on more powers to meet is problem there is no way to preserve freedom except by making democracy more powerful.d. Era of good feeling in the paragraph refers to	<p>A. Time of prosperity</p> <p>B. Time of adversity</p> <p>C. Time without government</p> <p>D. Time of police atrocities</p>
2	Democratic societies from the earliest times have expected their governments to protect the weak against the strong no era good feeling can justify discharging the police force or giving up the idea of public control over concentrated private wealth on the other hand it is obvious that a spirit of self-denial and moderation on the part of those who hold economic power will greatly soften the demand for absolute equality men are more interested in freedom and security than in an equal distribution of wealth the extent to which Government must interfere with business therefore is not exactly measured by the extent to which economic power is concentrated into a few hands the required degree of government interference depends mainly on whether economic powers are oppressively used and on the necessity of keeping economic factors in a tolerable state of balanceHowever with the necessity of meeting all these dangers and threats to liberty the powers of government are unavoidable increased whichever political party may be in office the growth of government is necessary result of the growth of technology and of the problems that go with the use of machines and science since the Government in our nation must take on more powers to meet is problem there is no way to preserve freedom except by making democracy more powerful.c. The growth of government is necessitated to	<p>A. Make the rich and the poor happy</p> <p>B. Curb the accumulation of wealth in a few hands</p> <p>C. Monitor science and technology</p> <p>D. Deploy the police force wisely</p>
3	Democratic societies from the earliest times have expected their governments to protect the weak against the strong no era good feeling can justify discharging the police force or giving up the idea of public control over concentrated private wealth on the other hand it is obvious that a spirit of self-denial and moderation on the part of those who hold economic power will greatly soften the demand for absolute equality men are more interested in freedom and security than in an equal distribution of wealth the extent to which Government must interfere with business therefore is not exactly measured by the extent to which economic power is concentrated into a few hands the required degree of government interference depends mainly on whether economic powers are oppressively used and on the necessity of keeping economic factors in a tolerable state of balanceHowever with the necessity of meeting all these dangers and threats to liberty the powers of government are unavoidable increased whichever political party may be in office the growth of government is necessary result of the growth of technology and of the problems that go with the use of machines and science since the Government in our nation must take on more powers to meet is problem there is no way to preserve freedom except by making democracy more powerful.b.A spirit of moderation on the economically sound people would make the less privileged	<p>A. Unhappy with the rich people</p> <p>B. More interested in freedom and security</p> <p>C. Unhappy with their lot</p> <p>D. Clamorous</p>
4	Democratic societies from the earliest times have expected their governments to protect the weak against the strong no era good feeling can justify discharging the police force or giving up the idea of public control over concentrated private wealth on the other hand it is obvious that a spirit of self-denial and moderation on the part of those who hold economic power will greatly soften the demand for absolute equality men are more interested in freedom and security than in an equal distribution of wealth the extent to which Government must interfere with business therefore is not exactly measured by the extent to which economic power is concentrated into a few hands the required degree of government interference depends mainly on whether economic powers are oppressively used and on the necessity of keeping economic factors in a tolerable state of balanceHowever with the necessity of meeting all these dangers and threats to liberty the powers of government are unavoidable increased whichever political party may be in office the growth of government is necessary result of the growth of technology and of the problems that go with the use of machines and science since the Government in our nation must take on more powers to meet is problem there is no way to preserve freedom except by making democracy more powerful.a.The advent of science and technology has increase the	<p>A. Freedom of people</p> <p>B. Tyranny of the political parties</p> <p>C. Powers of the government</p> <p>D. Chances of economic inequality</p>
5	The history of literature really began was the earliest of the arts. Man danced for joy round his primitive camp fire after the defeat and slaughter of his enemy. He yelled and shouted as he danced and gradually the yells and shouts became coherent and caught the measure of the coherent and caught the measure of the dance and thus the first war song was sung. As the idea of God developed prayers were framed. The songs and prayers became traditional and were repeated from one generation to another each generation something of its own.As man slowly grew more civilized he was compelled to invent some method of writing by three urgent necessities. There were certain things that it was dangerous to forget and which	<p>A. Weight</p> <p>B. Rhythm</p> <p>C. Size</p>

	therefore had to be recorded it was necessary to protect one's property by making tools cattle and so on in some distinctive manner so man taught himself to write and having learned to write purely for utilitarian reasons he used this new method for preserving his war songs and his prayers of course among these ancient peoples there were only a very few individuals who learned to write and only a few could read what was written.f. The word_measure in the context of the passage means	D. Quantity
6	The history of literature really began was the earliest of the arts. Man danced for joy round his primitive camp fire after the defeat and slaughter of his enemy. He yelled and shouted as he danced and gradually the yells and shouts became coherent and caught the measure of the coherent and caught the measure of the dance and thus the first war song was sung. As the idea of God developed prayers were framed. The songs and prayers became traditional and were repeated from one generation to another each generation something of its own.As man slowly grew more civilized he was compelled to invent some method of writing by three urgent necessities. There were certain things that it was dangerous to forget and which therefore had to be recorded it was necessary to protect one's property by making tools cattle and so on in some distinctive manner so man taught himself to write and having learned to write purely for utilitarian reasons he used this new method for preserving his war songs and his prayers of course among these ancient peoples there were only a very few individuals who learned to write and only a few could read what was written.e. Man invented writing because he wanted	A. To be artistic B. To write war song C. To write literature D. To record and communicate
7	The history of literature really began was the earliest of the arts. Man danced for joy round his primitive camp fire after the defeat and slaughter of his enemy. He yelled and shouted as he danced and gradually the yells and shouts became coherent and caught the measure of the coherent and caught the measure of the dance and thus the first war song was sung. As the idea of God developed prayers were framed. The songs and prayers became traditional and were repeated from one generation to another each generation something of its own.As man slowly grew more civilized he was compelled to invent some method of writing by three urgent necessities. There were certain things that it was dangerous to forget and which therefore had to be recorded it was necessary to protect one's property by making tools cattle and so on in some distinctive manner so man taught himself to write and having learned to write purely for utilitarian reasons he used this new method for preserving his war songs and his prayers of course among these ancient peoples there were only a very few individuals who learned to write and only a few could read what was written.d. The war song evolved out of	A. Creative inspiration B. There was no literature C. Artistic urge D. Yelling and shouting
8	The history of literature really began was the earliest of the arts. Man danced for joy round his primitive camp fire after the defeat and slaughter of his enemy. He yelled and shouted as he danced and gradually the yells and shouts became coherent and caught the measure of the coherent and caught the measure of the dance and thus the first war song was sung. As the idea of God developed prayers were framed. The songs and prayers became traditional and were repeated from one generation to another each generation something of its own.As man slowly grew more civilized he was compelled to invent some method of writing by three urgent necessities. There were certain things that it was dangerous to forget and which therefore had to be recorded it was necessary to protect one's property by making tools cattle and so on in some distinctive manner so man taught himself to write and having learned to write purely for utilitarian reasons he used this new method for preserving his war songs and his prayers of course among these ancient peoples there were only a very few individuals who learned to write and only a few could read what was written.c. The first war-song	A. Was inspired by God B. Developed spontaneously C. Was a song traditionally handed down D. Was composed by leading dancers
9	The history of literature really began was the earliest of the arts. Man danced for joy round his primitive camp fire after the defeat and slaughter of his enemy. He yelled and shouted as he danced and gradually the yells and shouts became coherent and caught the measure of the coherent and caught the measure of the dance and thus the first war song was sung. As the idea of God developed prayers were framed. The songs and prayers became traditional and were repeated from one generation to another each generation something of its own.As man slowly grew more civilized he was compelled to invent some method of writing by three urgent necessities. There were certain things that it was dangerous to forget and which therefore had to be recorded it was necessary to protect one's property by making tools cattle and so on in some distinctive manner so man taught himself to write and having learned to write purely for utilitarian reasons he used this new method for preserving his war songs and his prayers of course among these ancient peoples there were only a very few individuals who learned to write and only a few could read what was written.b. As for the war songs and prayers each generation.	A. Added something of its own to the stock B. Blindly repeated the songs and prayers C. Composed its own songs and prayers D.
