

## Everyday Science Online Test

Who discovered antiseptic surgery in 1865   S. Ronald Ross <	Sr	Questions	Answers Choice
Elluorine deficiency in human beings leads to?  Elluorine deficiency in human beings leads to?  Ellicular necrosis C Follicular necrosis Elliconsis <	1	Who discovered antiseptic surgery in 1865	B. Ronald Ross C. Alexander Fleming 
3 Who in witnessing a supernova, argued that the heavens are not changeless?  C. James Chadwick <bra>C. James Chadwick <bra>C. James Chadwick <bra>D. Albert Einstein  D. Morgan  D. Morgan  D. Morgan  D. Morgan  D. Morgan  D. Morgan  D. Albert Einstein  D. Medion  D.</br></br></bra></bra></bra>	2	Fluorine deficiency in human beings leads to?	B. Fluorosis C. Follicular necrosis
4 Who introduced blind education system?  C. Franklin <a href="#">Sh. Louis Braille</a> C. Franklin <a href="#">Sh. Louis Braille</a> C. Franklin <a href="#">Sh. Louis Braille</a> C. Franklin <a href="#">Sh. Thomas Edison <a href="#">Sh. Zoseph Priestley <a href="#">Sh. Zoseph P</a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a></a>	3	Who in witnessing a supernova, argued that the heavens are not changeless?	B. Thomas Edison C. James Chadwick
Who Scientist first determined the size of the University Gravitation Constant?  B. Thomas Edison C. James Chadwick D. Albert Einstein D. Albert Einstein D. Albert Einstein D. Albert Einstein D. Joseph Priestley 	4	Who introduced blind education system?	B. Louis Braille C. Franklin br>
B. Linus Yale C. Vladimir Zworykin C. Vladimir Zworykin D. Joseph James D. Joseph James B. Thomas Edison C. James Chadwick D. Albert Einstein D. Albert Einstein C. James Chadwick D. Albert Einstein D. Albert Einstein C. James Chadwick D. Albert Einstein C. James Chadwick D. Albert Einstein C. James Chadwick D. Albert Einstein D. Medicine D. Medicine D. Medicine D. Medicine D. Medicine D. Medicine D. Polar region D.	5	Who Scientist first determined the size of the University Gravitation Constant?	B. Thomas Edison C. James Chadwick
Which Scottish Mathematician Devised Equation for Electromagnetic Radiation?  B. Thomas Edison C. James Chadwick D. Albert Einstein D. Albert Einstein 	6	Who discovered oxygen?	B. Linus Yale C. Vladimir Zworykin
8 Which American was the Great Champion of Direct Current:  9 Grantham prize is constituted to felicitate the journalists working in the area of?  A. Technology B. Physics C. Environment D. Medicine 	7	Which Scottish Mathematician Devised Equation for Electromagnetic Radiation?	B. Thomas Edison C. James Chadwick
9 Grantham prize is constituted to felicitate the journalists working in the area of?  B. Physics C. Environment D. Medicine A. Artick region 	8	Which American was the Great Champion of Direct Current:	B. Fred Hoyle C. James Chadwick
10 Orang help upg fire heap discovered in 1990s, but the British expertise ever.  B. Polar region Br	9	Grantham prize is constituted to felicitate the journalists working in the area of?	<ul><li>B. Physics  C. Environment  br&gt;</li></ul>
D. Tropical Region 	10	Ozone hole was firs been discovered in 1980s, by the British scientist over	<ul><li>B. Polar region  C. Antarctica  br&gt;</li></ul>
