1 In order to open the view menu in the word menu bar which of the following shortcut key is used 2 Which of the following color graphics display has the highest resolution 3 Dot-matrix is a type of 3 Dot-matrix is a type of 4 You can set the folder view options according to your settings through which of the following choice 5 How many menus has a calculator in the windows 6 How many menus has a calculator in the windows 6 Which of the following tab is not present in the left section or pane of the windows help dialogue box? 7 Which of the following contains the control panel program in the start menu 8 Radio Button offers a list of 9 Dummy Question 4 A bootstrap is  A Alt+V B. Alt+I B. Alt-I B.	Sr	Questions	Answers Choice
2 Which of the following color graphics display has the highest resolution  3 Dot-matrix is a type of  A Tape B. Printer C. Disk D. Bus Printer C. Disk D. Bus C. Disk D. Disc C. Disk D. None of above D. None of above  5 How many menus has a calculator in the windows D. Five A Two D. Five A Contents D. Web C. Index D. Search D. Which of the following tab is not present in the left section or pane of the windows help dialogue box? A Program B. Settings C. Helip D. Run  8 Radio Button offers a list of A Non-mutually exclusive options D. Both A and B B. 2 C. Associative options D. Both A and B B. 2 C. Associative options D. Both A and B B. 2 C. Associative options D. Both A and B B. 2 C. Associative options D. Both A and B D. A The flat cable that connects the CPU to the printer B. The flat cable from the dist controller and to the dist 8 drive C. Additional memory device. D. A small intillation program is a controller program.	1	In order to open the view menu in the word menu bar which of the following shortcut key is	B. Alt+I C. Alt+E
Dot-matrix is a type of C. Disk D. Bus  4 You can set the folder view options according to your settings through which of the following choice  A. Web style B. Classic style C. C. Style C. C. Style D. None of above  5 How many menus has a calculator in the windows  6 Which of the following tab is not present in the left section or pane of the windows help dialogue box?  7 Which of the following contains the control panel program in the start menu  8 Radio Button offers a list of  Pummy Question  A bootstrap is  B. Printer C. Disk D. Dis	2	Which of the following color graphics display has the highest resolution	B. HCA C. EGA
4 You can set the folder view options according to your settings through which of the following choice  5 How many menus has a calculator in the windows  6 Which of the following tab is not present in the left section or pane of the windows help dialogue box?  7 Which of the following contains the control panel program in the start menu  8 Redio Button offers a list of  A. Program B. Settings C. Help D. Run  A. Non-mutually exclusive options C. Associative options D. Both A and B. B. 2  C. Associative options D. Both A and B. C. A. The flat cable that connects the CPU to the printer B. The flat cable from the dist controller card to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist 8 drive C. Additional memory device D. A. Small ritialization program to the dist Additional memory device D. A. Small ritialization program to the dist Additional memory device D. A. Small ritialization program to the dist Additional memory device	3	Dot-matrix is a type of	B. Printer C. Disk
How many menus has a calculator in the windows  B. Three C. Four D. Five  Which of the following tab is not present in the left section or pane of the windows help dialogue box?  A. Contents B. Web C. Index D. Search  A. Program B. Settings C. Help D. Run  A. Non-mutually exclusive options B. Mutually exclusive options C. Associative options D. Both A and B  Dummy Question  A. 1 B. 2 C. 3 D. 4  A. The flat cable that connects the CPU to the printer B. The flat cable from the dist controller card to the dist 8 drive C. Additional memory device D. A small initialization program to	4		B. Classic style C. Custom style
Which of the following tab is not present in the left section or pane of the windows help dialogue box?  Which of the following contains the control panel program in the start menu  Readio Button offers a list of  Radio Button offers a list of  Dummy Question  A Non-mutually exclusive options C. Associative options D. Both A and B  A. 1  B. 2  C. 3  D. 4  A The flat cable that connects the CPU to the printer B. The flat cable from the dist controller card to the dist 8 drive C. Additional memory device D. A small initialization program to	5	How many menus has a calculator in the windows	B. Three C. Four
7 Which of the following contains the control panel program in the start menu  8 Radio Button offers a list of  A. Non-mutually exclusive options B. Mutually exclusive options C. Associative options D. Both A and B  A. 1 B. 2 C. 3 D. 4  A. The flat cable that connects the CPU to the printer B. The flat cable from the dist controller card to the dist 8 drive C. Additional memory device D. A small initialization program to	6		B. Web C. Index
8 Radio Button offers a list of  C. Associative options C. Associative options D. Both A and B  A. 1 B. 2 C. 3 D. 4  A. The flat cable that connects the CPU to the printer B. The flat cable from the dist controller card to the dist 8 drive C. Additional memory device D. A small initialization program to	7	Which of the following contains the control panel program in the start menu	B. Settings C. Help
9 Dummy Question  B. 2 C. 3 D. 4  A. The flat cable that connects the CPU to the printer B. The flat cable from the dist controller card to the dist 8 drive C. Additional memory device D. A small initialization program to	8	Radio Button offers a list of	C. Associative options
CPU to the printer B. The flat cable from the dist controller card to the dist 8 drive C. Additional memory device D. A small initialization program to	9	Dummy Question	B. 2 C. 3
The state of the s	10	A bootstrap is	B. The flat cable from the dist controller card to the dist 8 drive C. Additional memory device D. A small initialization program to
